

“Before starting our journey with CAR, I never thought that my daughter would improve her social skills so quickly. Watching her go to every lesson excited and ready to interact with anyone outside of her immediate family is honestly a miracle. These lessons are more than just learning to ride a horse; they're giving my daughter the skills she needs to do great in life, and as a mom, that means the world.”

Please help us assist our participants accomplish their goals by sponsoring one of our gentle, trusted, and hardworking therapy horses.

Horse Sponsors Help Make Miracles Happen at Center for Adaptive Riding!

One of the best ways to support the Center for Adaptive Riding (CAR) and our mission is to sponsor one of our therapy horses. Without our irreplaceable horses, the remarkable accomplishments of our participants would not be possible. Our services provide physical, cognitive emotional and social benefits to the many children and adults of all abilities we serve at CAR.

To provide safe and effective equine assisted services for those we serve, it is essential that we have happy and healthy horses. It is of utmost importance that our horses be well cared for, reliable, and sound.

Our Horse Sponsorship program provides funding to support the annual cost of horse care including feed, medication, shavings, farrier, veterinary care, and stall management.

CAR is a 501(c)3 non-profit and your donation may be tax-deductible.
